

## MASTER PLAN WORKSHOP 11.9.12 North Campus Precinct

### Station 1: Coordination of Academic Programs and Physical Planning

#### What is being done well?

- Colleges in close proximity to each other
- Buildings for colleges in walking distance to each other (for some colleges)
- Density of campus (Allows for collaboration)
- Good Wi-Fi on North Campus

#### What could be improved?

• Move Grad program out of North Campus to more remote areas/ Strengthen undergrad academics on North Campus	<b>(1 red)</b>
• Consolidate programs	
• Strengthen connections to Hillsborough Street. May mean night activities.	<b>(1 red - 1 orange)</b>
• Strengthen sense of place/pedestrian for Scott Courtyard	
• Add "European" fountains at each exterior hearth to fill water bottles and create community space/ gathering	<b>(1 red)</b>
• Strengthen identity of All-Campus Path (Add glass block accent)	<b>(2 orange)</b>
• Increase mix use activities Mini- cities True Neighborhood amenities On campus 'Pub'/ Student basement space	<b>(12 red - 6 orange)</b>
• Increase collaboration spaces Exterior need to be larger More quantity needed within building More informal spaces needed Create "Third" place (Park Shops too small, D.H. Hill Library - students not staff)	<b>(13 red - 8 orange)</b>
• Need more dining- open late hours C-Store (Park Shop or add items) Healthy food choices	<b>(2 red - 1 orange)</b>
• Room numbering/ Wayfinding within building needs to be improved	
• Classrooms need universal tech/ set up Need large size auditoriums 100+	<b>(2 red - 6 orange)</b>
• Engineering/COE and PCOM remote from one another Need more interdisciplinary space to bring together colleges	
• Need more buildings/space with student life functions Activities take place in academic spaces during off-hours Expand dance/music options during class times Add student housing	<b>(1 red)</b>
• Increase/ celebrate academic activities on campus	<b>(2 orange)</b>
• Brand colleges (Banners, Lights, Artwork) Create physical neighborhood through branding Core university functions need identity Create pedestrian/bike streets to brand/ connect (way finding)	<b>(1 red - 3 orange)</b>
• Improve physical links between neighborhoods (E - W) Connection to central precinct	
• Update buildings for today's requirements	
• Quality lab space(Research and Teaching) Need to improve and need more demolition/ renovation, poor space	<b>(3 red - 4 orange)</b>
• Need flexible building without ownership Bring students out of college building Increase open work spaces Improve "The Pit" outdoor area by Kamphoefner Hall Increase community space	<b>(1 orange)</b>
• Consider impact of Business Operation Centers	

**MASTER PLAN WORKSHOP 11.9.12  
North Campus Precinct**

**Station 2: Mixed-Use Activities Issues**

What is being done well?

- **Urban Agriculture – Fig Trees in Gov’s Scott Courtyard**
- **Library**
- **Food Options**
- **Outdoor Classrooms**
- **Bookstore on North Campus – Store in Dabney Hall**
- **D Store/ C Store – has some art supplies**

What could be improved?

<ul style="list-style-type: none"> <li>• Housing: Visiting scholars need space, potentially across Hillsborough St by Gregg Museum (former Chancellor’s Residence) Need a campus hotel Add housing to Harrelson Hall replacement building</li> </ul>	<b>(1 red – 2 orange)</b>
<ul style="list-style-type: none"> <li>• Add Playground/ Skate park</li> </ul>	
<ul style="list-style-type: none"> <li>• Add Gym</li> </ul>	
<ul style="list-style-type: none"> <li>• Caldwell Hall Common (currently study space, but also booked for events: need quiet zone)</li> </ul>	<b>(1 red)</b>
<ul style="list-style-type: none"> <li>• Students out of session (Night/Weekend) - no amenities open</li> </ul>	
<ul style="list-style-type: none"> <li>• Capitalize on empty classrooms during non-booked times (Dance group in large open plan)</li> </ul>	<b>(1 orange)</b>
<ul style="list-style-type: none"> <li>• Traffic calming on Stinson Dr</li> </ul>	
<ul style="list-style-type: none"> <li>• Tompkins Hall - rooms with video need individual speakers/headphones</li> </ul>	
<ul style="list-style-type: none"> <li>• When bookstore open in Talley Center, Harrelson Hall bookstore closes- need a satellite bookstore with office supplies; expand atrium bookstore, need a place to drive and park on Hillsborough St possibly</li> </ul>	<b>(1 red- 2 orange)</b>
<ul style="list-style-type: none"> <li>• D Store/C Store at Kamphoefner Hall needs: Better/longer hours Expand studio supply collection 24 hr coffee vending</li> </ul>	<b>(1 orange)</b>
<ul style="list-style-type: none"> <li>• Seating with charging stations (like at airport)</li> </ul>	<b>(8 red – 4 orange)</b>
<ul style="list-style-type: none"> <li>• Adding/Blurring visibility between inside/ outside 1<sup>st</sup> Floor functions – Public study place rather than closed off classroom Interior windows to see creative/collaborative functions</li> </ul>	<b>(2 red – 7 orange)</b>
<ul style="list-style-type: none"> <li>• Mann Hall and 1911 Building – Nice Porch, but no seating/tables Witherspoon Center - limited seating</li> </ul>	<b>(2 red – 2 orange)</b>
<ul style="list-style-type: none"> <li>• Accessible/Public can use facility v. safety/security Balance longer hours, public functions More people can be more safe</li> </ul>	
<ul style="list-style-type: none"> <li>• Lactation/ Mother Rooms</li> </ul>	
<ul style="list-style-type: none"> <li>• Medical facilities? “Urgent care” ( Staff use of student health center, specifically in an emergency)</li> </ul>	
<ul style="list-style-type: none"> <li>• Childcare: campus is not kid friendly; stroller/ bike/ wheels on sidewalks are not easy</li> </ul>	<b>(2 red)</b>
<ul style="list-style-type: none"> <li>• Food: Beer/Adult beverage options on campus Moveable food carts – Centralized locations rather than on edge of campus Urban agriculture – allow ‘community plots’ for students Current food options - Not always convenient location and hours Need healthy choices- advertise at shops Add student garden by Kilgore/Scott Halls and Court of North Carolina More days for Farmers Market (Permanent/Covered spot)</li> </ul>	<b>(11 red – 6 orange)</b>
<ul style="list-style-type: none"> <li>• Art – Way finding, vertical</li> </ul>	<b>(1 red)</b>
<ul style="list-style-type: none"> <li>• Gathering/Art</li> </ul>	<b>(2 red – 7 orange)</b>

**MASTER PLAN WORKSHOP 11.9.12**  
**North Campus Precinct**

<p>Renewable energy-based art: Icon for neighborhood  Organize a place that lists art, ties pieces together  Covered outdoor spaces (specifically by housing)  Better utilize green space lawns: open entertainment, outdoor films, Campus Amphitheatre  Large Classroom with moveable seating- change room configuration  Outdoor tables/ maybe add power</p>	
<ul style="list-style-type: none"> <li>• Aesthetically- backdoor/dumpster/service areas:  No longer behind building - upfront and center as buildings filled in around campus  Balconies on south of buildings (student hangout, not stuck on ground floor)</li> </ul>	<b>(2 red - 1 orange)</b>
<ul style="list-style-type: none"> <li>• Central/ Unifying/Ceremonial Space need:  At University Plaza? Bell tower?</li> </ul>	<b>(1 red)</b>
<ul style="list-style-type: none"> <li>• Library is crowded  Indoor gathering needed- conference space for staff with sink  Study areas for reservation</li> </ul>	<b>(2 orange)</b>

## MASTER PLAN WORKSHOP 11.9.12 North Campus Precinct

### Station 3: Design Harmony, Human-Scaled Neighborhoods and Paths

#### What is being done well?

- Overhead plans at Bostian Hall for human scale
- Watauga gateway
- Brickyard
- Stinson and Lampe Drive
- Nelson Hall south side landscaping and seating
- Meandering paths at Court of North Carolina
- Leazar Hall is brilliant

#### What could be improved?

• More interior lit lobby spaces on campus	
• Better utilization of space between dorms/ Dress up space like Tucker - Rain gardens	<b>(9 red - 4 orange)</b>
• Slick/ unsafe brick pavers- Better maintained (Especially at grade changes; Caldwell Hall Tunnel)	
• No service vehicle parking on paths: culture change (especially at Brooks Hall, Park Shops)	<b>(1 red)</b>
• More planning of large shade trees and different types of trees	<b>(1 red)</b>
• Wayfinding and beautification on brickyard for open house	<b>(1 red - 2 orange)</b>
• Walking tour/ exercise brochures that highlight educational info	<b>(3 orange)</b>
• Emergency repair to coordinate and demarcate pedestrian detours	
• Need showers	
• Need a more intimate trellis at Governors Scott Courtyard	
• Dan Allen Dr Gateway- more welcoming	<b>(1 red - 4 orange)</b>
• Need non-building features/ infrastructure (walls, landscaping, water) to define pathways, streetscapes, etc.	
• Branding E-W Edges	
• Hillsborough St edges need more gathering spaces- break up hedgerow	<b>(4 red - 7 orange)</b>
• Skateboarding vs. pedestrian conflicts	<b>(3 red - 3 orange)</b>
• Inside buildings- better management of recycling stations	
• Path needed on E side of Kamphoefner Hall	<b>(1 red)</b>
• Formalize pig paths: Pullen Rd to Brooks Hall, side of DH Hill Library	<b>(2 orange)</b>
• "The Pit" at Brooks and Kamphoefner Halls need reorienting and redesign of stairs	<b>(1 red)</b>
• Bragaw Hall needs updating	
• Emergency generators need better placement and landscaping/ screening especially behind Lee and Bragaw Halls - Many visitors	
• Better defined bike paths north of Thomas Hall	
• Develop seating/ gathering spaces at Fox Labs and Scott Hall	
• Path along Dan Allen Dr	
• Add exterior architectural element to Kamphoefner Hall to bring scale down to human level	
• Mary Yarborough Court needs a destination space, needs benches, etc.	
• Entrance at DH Hill Library on Hillsborough St too big and locked	<b>(4 red - 2 orange)</b>
• Fixing color wall at DH Hill	<b>(4 red)</b>
• Additional removal of parking on Stinson Dr	
• Modernist "ramming" into traditional building (example: Leazar Hall)	
• Seating at Scott Hall and open handrails	
• Harrelson Hall replacement - Temporary and long-term landscaping/hardscaping	<b>(1 red - 3 orange)</b>
• Arcades should be on south side of buildings, not north	
• Convert south-side service areas (like Kilgore Hall) to people places- hide dumpsters	<b>(1 orange)</b>
• Add more variety to material palette and expression	<b>(2 red)</b>
• Define our street ways in terms of hierarchy (Primary vs. Secondary)	<b>(4 red - 1 orange)</b>

## MASTER PLAN WORKSHOP 11.9.12 North Campus Precinct

### Station 4: Sustainability

#### What is being done well?

- Fixing up old buildings (preservation and adaptive reuse)
- Shaded paths
- Labeling “landfill” trash cans
- Rocky branch signs – education
- Syme rain garden
- Posters with education (ie – dumpsters on Dan Allen)
- Farmer’s market – good choices
- Solar gazebo
- Good experiences with waste reduction and recycling

#### What could be improved?

Buildings are over cooled in summer – seems like waste	<b>(1 red – 2 orange)</b>
Consolidate summer classes for energy efficiency	
Repurpose buildings – use as educational tool	
More internal windows	
Gardens – rooftops!	
Outdoor compost bins outside residence halls (closed)	<b>(1 red – orange)</b>
Capture friction energy from trains over tracks	
Inductive charging for buses	
Energy performance contract – want feedback (savings outcomes) for occupants	<b>(1 red)</b>
Using dashboards for energy competitions	<b>(1 red)</b>
Communicate forestry expertise at NCSU on campus.	
Communicate programs like “pack and give” more effectively	
Nice looking solar gazebos (more!)	<b>(1 orange)</b>
Problems with heating and cooling; need more efficient settings that students can alter	
Gold Hall has computers running – go to sleep?	
Wolf-wheels – pick up/drop off bikes in more locations	<b>(2 red – 4 orange)</b>
Looking for funding for further rocky branch maintenance and enhancement	
Solar Panels on parking decks	<b>(2 orange)</b>
Fix large temperature fluctuations (Polk, Williams, Kilgore, Page)	<b>(2 red)</b>
Lots of microfridges – instead of more efficient central fridges	
More shower facilities	<b>(2 orange)</b>
Educational signage in bus stops, buildings	
Keep sustainability tours updated (admissions)	
Walk Raleigh Program – like signage	<b>(2 red)</b>
More solar powered charging stations for personal electronics	<b>(1 red – 3 orange)</b>
Need smart grid	
More smart sensors to reduce/regulate utilities	<b>(2 red – 1 orange)</b>
More small recycling bins in each room	<b>(1 red)</b>
Use grey water	<b>(1 red – 1 orange)</b>
Storm water management upgrading systems	<b>(1 red)</b>
Expansion of farmer’s market	<b>(3 red – 1 orange)</b>
Expansion of food trucks with good food – fruits and veggies	
Need a “greeter” on brickyard for welcoming/ directing folks	
Dashboards in outdoor space for whole campus – brick yard	<b>(2 orange)</b>
Website to track campus energy	
Wake Co bus transportation (TTA, CAT): safe, clean, reliable, easy to access	<b>(1 orange)</b>
Dedication and commitment to demolition of old buildings (window A/C units are inefficient i.e. – Gardner Hall)	<b>(1 red)</b>
Concern with lack of funding to sustainability (ie – Jordan Hall, Fox Labs) – “value engineered” sustainable elements	<b>(1 orange)</b>

**MASTER PLAN WORKSHOP 11.9.12  
North Campus Precinct**

More shading - trees!	<b>(1 red - 3 orange)</b>
Biltmore, Williams window replacement caused moisture problems	
Grow more food on campus - ie: behind Kilgore Hall	<b>(2 orange)</b>
Photovoltaic Panels on all roofs and solar thermal, green roofs and green walls	<b>(12 red - 1 orange)</b>
Combine green roofs and food production	<b>(1 red - 2 orange)</b>
Collect all rainwater for irrigation and toilet flushing	<b>(5 orange)</b>
Any new buildings should generate $\frac{3}{4}$ of their electricity needs	
Cover bicycle parking	<b>(1 red - 1 orange)</b>
Renovating should include day lighting strategy	<b>(1 red - 1 orange)</b>
EV charging stations	
Need post-consumer "organics" compost option	
Wind turbine retrofit on tall buildings	<b>(1 orange)</b>
More meeting spaces outdoors with covering (shade, wind, rain)	

## MASTER PLAN WORKSHOP 11.9.12 North Campus Precinct

### Station 5: Pedestrian-Oriented Campus Issues

#### What is being done well?

- Improvements on Hillsborough Street
- Improvements to Free Expression Tunnel
- Good lighting between North and Central
- Park Shops walk/ adding back cherry laurels

#### What could be improved?

• All streets could benefit by narrowing them down	
• Yarbrough Dr improvement needs to avoid conflicts with pedestrian and service vehicles	
• Pedestrian crossing in front of Bell Tower where no crossing lights are at circle	<b>(1 red)</b>
• Better lighting along Lampe Drive.	
• Skateboard users need to obey traffic laws	
• Dixie Trail and Hillsborough St intersection needs improvements	
• Better traffic control coming along Stintson Drive.	
• More crossings over/below Railroad for access to Central Campus	<b>(2 red - 1 orange)</b>
• Add more bike stations for rentals	
• Dan Allen Drive at Railroad bridge needs a more defined pedestrian crossing - crosswalk at Parking Deck needs improvements	<b>(1 orange)</b>
• Plan for better pedestrian movements along Stintson Dr/ Pullen Rd when parking deck at old Riddick Stadium comes online	
• Bricks in shady areas are slick	<b>(1 red - 1 orange)</b>
• East side of Railroad Bridge over Dan Allen Dr has water dripping onto pedestrian path	
• Need more showers in buildings	<b>(1 red - 4 orange)</b>
• A place for skateboarders to use to keep them off of public areas	<b>(1 orange)</b>
• In general: need signals at pedestrian and vehicle intersections for safer crossing	
• Lighting in Free Expression is often painted over	
• Kilgore Hall east walkway needs to be replaced	<b>(3 red - 2 orange)</b>
• Parking along Stintson Drive should be removed	<b>(1 red - 2 orange)</b>
• Need to increase bike parking and covered parking with security cameras	<b>(6 red - 3 orange)</b>
• Increase LED lighting for safety along pedestrian routes	<b>(1 orange)</b>
• Clear direction on Blue Light Phones sight lines	
• Better lighting in all tunnels	
• Better definition of neighborhood spaces (branding)	
• Lack of Pedestrian paths around Yarborough Stream Plant	<b>(1 orange)</b>
• Rental for "Segways"	
• Address issues of students scaling western wall at Yarborough Stream Plant	
• Need to complete all campus path behind Patterson Hall- to brickyard	
• Pullen Park/ Western Blvd/ Gorman St missing pedestrian links to campus	<b>(1 red - 2 orange)</b>
• Sidewalk on north side of Caldwell Hall is too narrow	<b>(1 red)</b>
• ADA accessibility issues	<b>(2 orange)</b>
• Bicycle and pedestrian conflicts with skateboards	<b>(1 orange)</b>
• Clear designation of bike lanes	<b>(1 red)</b>
• Morrill Drive approaching Western Blvd. east-side missing sidewalk link, around Warren Carroll Drive	<b>(1 red)</b>
• Dan Allen intersection crossing at Hillsborough street needs improvements	<b>(8 red - 4 red)</b>
• Hillsborough St roundabout produces conflicts with vehicles and pedestrians	<b>(1 red)</b>
• Lack of bike access at Free Expression Tunnel during class changes	<b>(1 red)</b>

**MASTER PLAN WORKSHOP 11.9.12  
North Campus Precinct**

• Public safety needs to address skateboarders	
• Better connections through buildings to link pedestrian route at edges: example DH Hill Library at Hillsborough St	<b>(2 red - 4 orange)</b>
• Use art to connect spaces	<b>(1 red - 6 orange)</b>
• Add button for bike users at all intersections	
• Ban all vehicles one day each year	<b>(1 red)</b>
• Need sidewalk connecting Cates Ave to Western Blvd	
• Yarborough Drive needs pathway that is continuous	
• Between Leazar and Kamphoefner Halls - pedestrian sidewalk is not wide enough	
• Keep cars and trucks out of Willow Oaks along Dunn Ave	
• Look for other opportunities to use materials besides brick	
• Connect All Campus Path to city edge	<b>(1 red)</b>

## MASTER PLAN WORKSHOP 11.9.12 North Campus Precinct

### Station 6: Effective Vehicular Movement

#### What is being done well?

- Founders Dr bus way
- TransLOC Tracking
- Stop announcements
- Recent: Avent Ferry signal timing

#### What could be improved?

• More visitor parking/ Offloading for corporate and regular users	<b>(3 red - 1 orange)</b>
• Vehicle/Car congestion	<b>(1 red)</b>
• Reverse bus (Shuttle Route)	<b>(3 orange)</b>
• Large map of campus	<b>(2 orange)</b>
• Lot removal in “hallowed” areas/Decrease number of pedestrian conflicts	
• North Hall lot - change to deck	<b>(2 orange)</b>
• Parking in general	<b>(1 red)</b>
• Founders Dr has pedestrian conflicts (safety)	
• Bus turn radius at corner/ Pedestrian Safety	
• Bus connectivity: Trailwood Rd/Tryon Rd to south of campus	<b>(2 red - 1 orange)</b>
• Small utility vehicles in pedestrian zones	
• Expand and improve bike connectivity through tunnels under railroad tracks	
• Bike lanes	<b>(6 red - 6 orange)</b>
• Bike racks on bus	<b>(2 red - 3 orange)</b>
• Decrease the number of parallel parking (Pedestrian safety)	<b>(1 red)</b>
• Decrease the number of state-owned vehicles on North Campus, relocate Move closer to department needs	
• Better loading zone for department vehicles, store vehicles elsewhere on North Campus (Dan Allen Deck?)	<b>(3 red - 4 orange)</b>
• Better Centennial to North Precincts transit	<b>(12 red - 4 orange)</b>
• Reduce size of wide load buses	
• More ART (not advertising) on exterior of buses	
• Better visitor parking info	
• Better signage at gated entrances	<b>(1 red)</b>
• ‘Full Bus’ notification on bus app	
• Bus drivers pull out on Hillsborough St in bus stop zones	
• Quieter golf carts/Kubota (prefer EV)	
• Gate opening capacity on ID Card/ windshield tag	<b>(2 orange)</b>
• Service hubs - Multi use? For use in non-service times/outside normal operating hours	<b>(1 red)</b>
• Integrate vehicular and pedestrian pathways (example - continue Stinson Plaza)	<b>(1 red -- 2 orange)</b>
• Designate Kubota Parking (Short term)	<b>(1 red - 1 orange)</b>
• Gold Courtyard access	
• Reduce certain one way streets (eliminate on-street parking)	<b>(1 orange)</b>
• Parking deck in place of Brooks lot (north of Hillsborough St) to free up campus spaces	<b>(1 orange)</b>
• Formal signage that estimates “time-to-walk-to-[point of interest]” signs on/ near campus	<b>(1 orange)</b>
• Security van (Night)	<b>(1 red)</b>

## MASTER PLAN WORKSHOP 11.9.12 North Campus Precinct

### Station 7: Other Planning Issues

#### What is being done well?

- Redesign of Hillsborough Street in front of NC State
- Edges are well defined on North Campus
- Watauga Club Gateway
- Like Bricks!
- Brickyard has matured well, mature trees
- Court of North Carolina- Outdoor classrooms
- Gardner Arboretum

#### What could be improved?

• West end of Hillsborough Street, integration with Stanhope neighborhood	
• Transition of traffic toward campus from downtown and west. Transition from Blue Ridge Rd to Vet School and East	
• Ease to find tunnel to Talley Center and make North and Central Precincts feel connected	<b>(7 red - 3 orange)</b>
• Connectivity between North and Central Precincts (pedestrian)	
• Other tunnels need to be accessible and improved (like Free Expression Tunnel)	
• New fountain (since Talley fountain has been removed)	<b>(1 red - 4 orange)</b>
• Further development of Governors Scott Courtyard (empty feeling)	<b>(1 red - 2 orange)</b>
• Continue to reinforce connections between open spaces and make improvements to help with way finding	
• Outdoor classrooms	<b>(7 red - 1 orange)</b>
• Tables, benches for studying	
• Celebrating successes of the neighborhood academically; to give understanding of what is occurring in neighborhood through place and location	<b>(4 orange)</b>
• Peach tree at Scott Hall	
• Pedestrian improvements at roundabout	
• Dangerous pedestrian crossing at Dan Allen Dr and Hillsborough St	<b>(1 orange)</b>
• Pedestrian connectivity between College of Design and rest of campus toward West	<b>(1 red - 1 orange)</b>
• Place on campus to participate in Art- Performing Arts Center	<b>(1 orange)</b>
• More announcement of NC State edges/ entries (ex: along Western, east to west; Bell tower; Hillsborough St from west)	<b>(1 red)</b>
• Announcement of activities- strategic places for electronic displays	<b>( 2 orange)</b>
• Smartphone APP for map to find buildings and aid way finding include maps of building interiors.	<b>(1 red)</b>
• Gardner Hall needs investment; Life Sciences have not received support. Demolish '400 wing'. HVAC/fume hood issues ongoing.	<b>(1 red - 4 orange)</b>
• Move science-based graduate programs to periphery of campus	
• Campus edge at Hillsborough St feels walled off (DH Hill and other locations)	
• Pullen Rd at Hillsborough St needs stronger gateway feel	
• Pullen Rd at Western Blvd needs stronger gateway feel	<b>(1 red)</b>
• Entrance to DH hill bad- big stairway to Brickyard to create gathering place (Spanish steps in Rome)	
• Centennial Precinct gateways need improvement, need to feel more like Watauga Club Gateway	<b>(1 red - 2 orange)</b>
• Street signage at corners are not readable because both signs are at same elevation	<b>(1 orange)</b>
• Pecan trees at edges to brand campus edges (like Dan Allen Dr at Nelson Hall) perhaps on north side of Hillsborough St as well.	
• Develop more small intimate outdoor spaces between buildings	<b>(2 red)</b>
• Re-establish the former charm of the pathway north of Parks Shops	

**MASTER PLAN WORKSHOP 11.9.12  
North Campus Precinct**

<ul style="list-style-type: none"> <li>• Define historic place and reinforce with plants, seating type, etc.</li> </ul>	
<ul style="list-style-type: none"> <li>• Move future Light Rail station in Pullen Park to campus- potential for pedestrian issue if student have to cross Pullen Rd</li> </ul>	<b>(1 red - 1 orange)</b>
<ul style="list-style-type: none"> <li>• Outdoor Wi-Fi (and indoor)</li> </ul>	<b>(6 red - 2 orange)</b>
<ul style="list-style-type: none"> <li>• Sign for Gardner Arboretum</li> </ul>	
<ul style="list-style-type: none"> <li>• West side of DH Hill gateway aesthetics not good /needs to be developed- needs roof, shelter (looks like the back of a hospital)</li> </ul>	
<ul style="list-style-type: none"> <li>• Too many restrictions on use of outdoor spaces for events, etc. (Creates 2 campuses; activities occur on Central Campus not North Campus)</li> </ul>	<b>(1 red)</b>
<ul style="list-style-type: none"> <li>• Accessibility of walks, uneven surfaces</li> </ul>	<b>(1 red)</b>
<ul style="list-style-type: none"> <li>• Harrelson replacement- attach to Cox/Dabney so Brickyard can be expanded</li> </ul>	
<ul style="list-style-type: none"> <li>• Replace Harrelson with another unique building- big, domed greenhouse at center of building</li> </ul>	<b>(5 red - 5 orange)</b>
<ul style="list-style-type: none"> <li>• Honor recognition- Buckminster Fuller and geodesic dome</li> </ul>	
<ul style="list-style-type: none"> <li>• Brand our space with a light type that's different and identifiable</li> </ul>	<b>(1 orange)</b>
<ul style="list-style-type: none"> <li>• Contemporary landscape space needed (include Wi-Fi, sculpture, etc.)</li> </ul>	<b>(2 red)</b>
