

REQUEST FOR GENERAL CONTRACTOR
PREQUALIFICATION SUBMITTALS
HARRELSON HALL DEMOLITION

North Carolina State University is seeking qualification statements from general contractors for the **Harrelson Hall Demolition project**. The project includes deconstruction and demolition of Harrelson Hall on North Carolina State University's North Campus. The existing structure is a hybrid framing system composed of cast-in-place concrete frames and precast floor elements. The structure has a total finished square footage of approximately 125,000 square feet, comprised of a ground level, three elevated levels and a partial basement. Asbestos abatement and other select waste removal will be required prior to structural demolition. Structural demolition is anticipated to be completed by conventional, mechanical methods. The project includes re-development of the building site into a plaza area.

To qualify, the contractor must have a general contractor's license in the State of North Carolina as well as applicable bonding requirements. The contractor must show comparable work experience, both in complexity and dollar value, and preferably in a University campus environment, to the scope of work outlined above.

To be considered, the contractor must obtain an application package from the NC State University Project Manager and submit a sealed, fully completed qualification document by **5:00 PM, September 18, 2015**, to Steven R. Bostian, Project Manager, at Administrative Services Building III, 2701 Sullivan Dr., Suite 331, NCSU, Campus Box 7520, Raleigh, NC 27695-7520. Application packages will be available electronically on or after **August 24, 2015**. Please contact Steve Bostian via email (preferred) or phone to request a package on or before August 27, 2015. Contact Carolyn Axtman at ccaxtman@ncsu.edu for a copy after August 27, 2015. One (1) hard copy of the completed qualification packages must be submitted to the project manager. Completed qualification packages will not be accepted electronically.

NC State University has an affirmative policy of fostering, promoting, and conducting business with women and minority owned enterprises. Women and minority contractors are encouraged to participate in the pre-qualification process.
