Project Description: (An in-depth narrative of the details of the project, site, trades, LEED, etc.)

The project will renovate the ground floor of Patterson Hall to provide a new centralized location for the College of Agriculture and Life Sciences Business Office. The project will demolish some existing non load-bearing partitions and upgrade/replace the HVAC system. Currently the building is connected to the campus distributed steam loop, and provisions may be made to make a connection to the distributed chilled water loop.
