

REQUEST FOR PREQUALIFICATION

Skanska USA Building, Inc. is currently seeking to **pre-qualify** principal trade and specialty contractors for the **NC State Engineering Building Oval** project. Firms interested in the project are required to submit project specific prequalification forms. The deadline for submission of prequalification forms for aggregate piers, structural concrete, structural steel, waterproofing, elevators, and building controls is **December 15, 2017**. All other prequalification forms for remaining work must be submitted no later than **March 15, 2018**.

Please contact Johnny Ortiz at 919-941-7900 or 919-866-0197 or johnny.ortiz@skanska.com to complete the prequalification process. Please put "Engineering Building Oval" in the subject line.

In support of NC State University diversity and inclusion efforts, Skanska USA Building is committed to creating an environment of inclusion that affords small, minority, and women-owned businesses equal access to the economic opportunities that sustain our community. Small-, minority-, and women-owned businesses are encouraged to participate. Guidelines established in the North Carolina General Statutes and good faith efforts will be followed.
