

REQUEST FOR GENERAL CONTRACTOR
PREQUALIFICATION SUBMITTALS
Centennial Campus Utility Infrastructure
(Medium Voltage Package B)

North Carolina State University is seeking qualification statements from general contractors for improvements to the electrical utility infrastructure, located on Centennial Campus. The project provides for installation of a new power circuit. Scope includes switchgear breakers, ductbank installation, switch replacement, and pulling new cable through existing raceways.

To qualify, the contractor must have a general contractor's license in the State of North Carolina as well as applicable bonding requirements. The contractor must show comparable work experience, both in complexity and dollar value, and preferably in a University campus environment, to the scope of work outlined above.

To be considered, the contractor must obtain an application package from the NC State University Project Manager and submit a sealed, fully completed qualification document by 5:00 PM, 1/11/18, to Damian Lallathin, project manager, at Administrative Services Building III, 2701 Sullivan Dr., Suite 331, NCSU, Campus Box 7520, Raleigh, NC 27695-7520. Application packages will be available electronically after 12/11/17. Please contact the project manager via email (preferred) or phone to request a package. Three (3) hard copies of completed qualification packages must be submitted to the project manager. Completed qualification packages will not be accepted electronically.

NC State University has an affirmative policy of fostering, promoting, and conducting business with women and minority owned enterprises. Women and minority contractors are encouraged to participate in the pre qualification process.
