

REQUEST FOR GENERAL CONTRACTOR
PREQUALIFICATION SUBMITTALS
Carbon Electronics Cluster Lab Renovation in Partners III

North Carolina State University is seeking qualification statements from general contractors for renovations to the Carbon Electronics Lab in Partners III, located at 851 Main Campus Drive, Raleigh, NC 27607. The project scope consists of the construction of a 4,766 square foot interior renovation of an existing lab and offices into an open lab and dry room. The work includes, but is not limited to, interior finishes and glazing, casework, 6 fume hoods, plus associated plumbing, mechanical, electrical, security and fire protection system modifications.

The project is scheduled to begin work on 3/21/2018 and complete on or before 8/8/2018.

To qualify, the contractor must have a general contractor's license in the State of North Carolina as well as applicable bonding requirements. The contractor must show comparable work experience, both in complexity and dollar value, and preferably in a University campus environment, to the scope of work outlined above.

To be considered, the contractor must obtain an application package from the NC State University Project Manager and submit a sealed, fully completed qualification document by **5:00 PM, January 3, 2018**, to Lisa Keel, project manager, at Administrative Services Building III, 2701 Sullivan Dr., Suite 331, NCSU, Campus Box 7520, Raleigh, NC 27695-7520. Application packages will be available electronically **after December 4, 2017**. Please contact the project manager via email (preferred) or phone to request a package. Three (3) hard copies of completed qualification packages must be submitted to the project manager. Completed qualification packages will not be accepted electronically.

NC State University has an affirmative policy of fostering, promoting, and conducting business with women and minority owned enterprises. Women and minority contractors are encouraged to participate in the pre-qualification process.
