Project Description

This project will renovate approximately 5,580 gross square feet in the first floor sports therapy area (rooms 120A – 130A) of the Wendell Murphy Football Center. Modifications include demolishing existing offices and an outdated wave pool and installing a steam room and hot and cold therapy pools in the 1,805 gross square foot hydrotherapy area. Also included are updated offices, open cubicles and a reconfigured central therapy area.
