

REQUEST FOR GENERAL CONTRACTOR  
PREQUALIFICATION SUBMITTALS  
Centennial Campus Utility Infrastructure  
Thermal Energy Storage

North Carolina State University is seeking qualification statements from general contractors for a mechanical infrastructure improvement project located on Centennial Campus. This project expands chilled water capacity with the addition of a stratified chilled water thermal energy storage tank (TES) located adjacent to the central utility plant. A qualification application document (3 copies) must be submitted by 5:00 PM, 5/10/18 to Damian Lallathin, project manager, at Administrative Services Building III, 2701 Sullivan Dr., Suite 331, NCSU, Campus Box 7520, Raleigh, NC 27695-7520.

To qualify, the contractor must have a general contractor's license in the State of North Carolina as well as applicable bonding requirements. The contractor must show comparable work experience, both in complexity and dollar value, and preferably in a University campus environment, to the scope of work outlined above. Application packages are available for download.
